Catalog of Berry Plants, Fruit Trees, Shrubs and Hardy Perennials

JAN 31 1920
U. S. Department of Agriculture.

SPRING
1920

Geo. D. Aiken **Putney, Vermont**

This Price List Cancels All Previous Quotations

The shortage of Nursery Stock is unprecedented: Send in your order at once.

By so doing you save 10% of the amount and will be more likely to get the varieties you wish.

READ THIS PAGE BEFORE ORDERING

ORDER EARLY: The amount of nursery stock in the country is estimated to be about 30 per cent of enough to supply the normal demand, and the demand this year is much heavier than usual. It will be necessary to order early if you are to get any stock for this Spring's planting. Over half of our supply of Raspberries was sold last Fall, Grapes and Currants are almost all sold and all other stock is being sold rapidly even before this catalog is printed. Do not delay but order at once and we will do the best we can for you.

HOW TO REMIT: Remit by money order, bank draft, registered letter or personal check. Postage stamps accepted for small orders.

DISCOUNT: I offer my usual discount of 10 per cent for orders received before March 1st, and 5 per cent for orders received before April 1st. It will be practically necessary to take advantage of the discount this season as my stock will be pretty well sold by March 1st.

EASY TERMS: In order that everyone may send their order early even tho they cannot spare the entire amount, I will book orders that are accompanied by 25 per cent of the amount of the order. The balance may be sent later or stock will be sent C.O.D.

ABOUT SHIPPING: All orders of 20 lbs. or more will generally ship cheapest by express. If wanted by mail add 10 cents for each 100 Strawberry Plants or 25 Raspberries.

GUARANTEE: I guarantee all stock true to name and free from disease. Should any prove to be otherwise I will refund the money or replace free of charge. But I cannot replace for any other reason stock sold at the prices listed herein.

CLAIMS: When you receive your stock examine it carefully. If damaged or delayed in transit call the attention of your express agent to the fact, and enter claim for the amount. If stock is unsatisfactory from any fault of ours advise us at once. I cannot entertain any complaints not made at once on receipt of stock.

CERTIFICATE OF NURSERY INSPECTION WITH PERMIT TO SHIP

Vermont Agricultural Experiment Station

To Whom It May Concern:— Aug. 20, 1919.

This is to certify that I have this day carefully examined the nurseries and grounds of **Geo. D. Aiken, Putney, Vermont,** and find no evidence of San Jose Scale or other noxious insect or injurious disease likely to be transmitted to nursery stock.

Signed M. B. CUMMINGS, State Nursery Inspector.

RASPBERRIES

Raspberries are probably the most reliable of all berries to raise. They are pretty sure to mature a good crop and the market is never fully supplied with them. Plant on good, well-drained soil and cultivate often. Fertilize with chemicals. Some wood ashes may be used. As a rule, it will pay best to use manure on some other crops. Avoid planting Cuthbert and Herbert on river banks or in frosty hollows. June and Marlboro are best for these locations. A field of Cuthbert should yield profitably for ten years or more and the early varieties and black-caps are good for about five years.

CUTHBERT. The fine old stand-by. Berries late, very large and finest quality. Does best on uplands or hillsides. A very vigorous grower and succeeds on poorer soils than other varieties. 25 for $1.00; $3.50 per 100; $30.00 per 1000.

MARLBORO. Very large, early and productive. Practically identical with Ruby. Price same as Cuthbert.

HERBERT. Berries of immense size and best quality. Extremely productive. Ripens in midseason. Very popular in Northern New England and New York because of its extreme hardiness. Supply of plants very short. 25 for $1.25; 100 for $4.50; 1000 for $35.00.

IDAHO. The most productive and largest red raspberry. Perfectly hardy. Fruit rather acid for eating fresh but good for jelly and jam. Price same as Herbert.

GOLDEN QUEEN. Exactly like Cuthbert except in color. Sold out.

ST. REGIS. The much advertised ever-bearer. A widely planted commercial variety south of New York City but should be planted for home use only in the North. The earliest raspberry. Price same as Cuthbert.

OHTA. An extremely hardy variety grown considerably in the Middle West and also south of the commercial raspberry belt. Very good quality but a light yielder. 25 for $1.50; 100 for $5.00.

ERSKINE PARK. This widely advertised variety is of no great value for home or commercial planting, but should be of much interest to plant breeders. Very hardy, vigorous and a splendid plant-maker. It blossoms much more than St. Regis in the Fall and its only fault is its failure to bear berries of value. Price same as Ohta.

JUNE. I believe this variety is the finest commercial variety there is available today. Earlier than Marlboro and nearly as Early as St. Regis. Cane very vigorous, handsome and thornless. Perfectly hardy. Berries of largest size, good quality and fine for shipping. This variety is a very heavy yielder and should not be omitted from the home garden or commercial field. I offer a fine lot of plants at wholesale prices. Price same as Herbert.

EMPIRE. I have discarded this variety as it makes too weak a plant to be of much value.

PERFECTION. A fine commercial variety but inferior to June. Discarded.

BLACK AND PURPLE RASPBERRIES

COLUMBIAN. The most popular purple variety. Supply of plants so short that I cannot sell more than 400 to one customer. $1.50 per 25; $5.00 per 100.

ROYAL PURPLE. Later and firmer than Columbian. Bush more erect. Very hardy. Not over 500 to one customer. Price same as Columbian.

PLUM FARMER. The leading black raspberry. I have a fine lot of plants. $1.00 for 25; $3.00 per 100; $25.00 per 1000.

CUMBERLAND. Large, jet black. Later than Plum Farmer. Short supply of plants. Sold out.

GREGG. The old standard. Considered the sweetest by many. Sold out.

HONEYSWEET. Supposed to be a cross between Plum Farmer and Gregg. Described by originator as very large, sweet and glossy; black in color. I have not fruited Honeysweet yet, but have several hundred plants which I offer at 25 for $1.50; $5.00 per 100.

BLACKBERRY PLANTS

Culture same as raspberries.

ELDORADO. About the finest quality blackberry, berries large, long and very sweet. Early. Cane hardy. Some nurseries have sent out thousands of an inferior variety as Eldorado which accounts for the disappointing results many have had. I have a short supply of true Eldorado which I will sell while they last at $1.50 per 25; $5.00 per 100.

SNYDER. One of the hardiest and heaviest yielding varieties. Quality only fair but it is planted the most of any variety in the North because it is the surest cropper; not over 500 in one order. 25 for $1.00; $3.50 per 100.

BLOWERS. A giant in cane and fruit. Where it succeeds, Blowers should be the most profitable blackberry. Berry immense, jet black and good quality. A tremendous yielder but requires a long season to ripen both fruit and wood. Should not be planted north of Central New England. 25 for $1.00; $3.50 per 100; $30.00 per 1000.

GOOSEBERRY PLANTS

Currants and gooseberries will grow in almost any good soil. They are rank feeders and like a lot of stable manure.

Because of certain restrictions, I cannot ship currants and gooseberries to sections outside of New England, New York and New Jersey.

DOWNING. Most popular gooseberry. Color green. Quality best. Medium size. 30c each. $2.50 for 10.

RED JACKET. Color pale red. Larger than Downing. Price Same.

OREGON CHAMPION. Color yellowish-green. Immensely productive. Sweet. Price same as Downing.

CARRIE. Bush vigorous. Not very thorny. Very productive, the bushes being literally covered with dark red berries of medium size and fair quality. Price same as Downing.

CURRANTS

Currant bushes are extremely scarce this season and I have only a limited number to offer.

PERFECTION. Considered the largest and best red currant. 3 yr. plants 35c each, $3.00 for 10.

RED CROSS. Large, sweet and early. 2 yr. size, 25c each, $2.25 for 10. One year size, 20c each, $1.80 for 10.

CHERRY. The standard large red currant. 2 yr. size, 25c each, $2.25 for 10, 1 yr. size, 20c each, $1.80 for 10.

BEARING SIZE CURRANTS. I have quite a lot of Cherry Currants, 4 years old, having 8 or 10 shoots each. Just right to plant for quick results. 40c each, $3.25 for 10; $25.00 per 100.

GRAPES

Probably the most serious shortage of all nursery stock exists in grapes. I am entirely sold out of all but two varieties. ORDER YOUR GRAPES AT ONCE.

MOORES EARLY. The finest black grape for the North. Ripens nearly a month ahead of Concord. Berries as large as Concord and as good quality. 35c each; $3.00 for 10.

CAMPBELLS EARLY. This is a giant black grape of the finest quality. Under good cultivation it will produce bunches a foot long with berries of proportionate size. Ten days earlier than Concord. 50c each; $4.00 for 10.

STRAWBERRIES

SENATOR DUNLAP. An all round variety. Grows anywhere. Quality good. Season early to mid season. 50c for 25; $1.00 per 100; $7.50 per 1000.

CHESAPEAKE. A very fancy high quality variety. Makes few runners. Season late. Plants at 100 rates only. 50c per 25; $1.50 per 100.

McALPIN. Very large, light red berry of fine quality. Excellent for home gardens. Late. 50c per 25; $1.00 per 100; $8.00. per 1000.

FIRST QUALITY. A long, pointed, very sweet berry of high quality. Midseason. Price same as McAlpin.

WILSON. I offer the genuine old time Wilson. A good yielder of large round berries which have a most delightful aroma and flavor. Plant a few Wilson. You will enjoy them. Price same as McAlpin. Wilson is an imperfect variety. Plant with McAlpin or some other perfect, flowering variety.

BIG JOE. I have not yet fruited this highly recommended variety but can offer a few thousand plants at the same price as McAlpin.

SAMPLE. The great market berry of New England and New York. Very large and uniform. Immense cropper. Sample is an imperfect variety and should be planted with Dunlap or some other perfect flowering variety. Price same as McAlpin.

WARFIELD. Considered to be about the hardiest strawberry and planted extensively in the North. Berries medium size, dark red and good quality. A heavy cropper if plants do not get too thick. Fine for canning. Imperfect. 50c for 25; $1.00 per 100; $7.00 per 1000.

GLEN MARY. Exceptionally heavy yielder of very large berries. Will bear alone but does better if planted with another perfect flowering variety. Short supply of plants. 50c per 25; $1.00 per 100.

PROGRESSIVE. The most widely planted everbearing variety. Berries same size and shape as Dunlap. Quality fine. Bears before the common varieties in the Spring and continues bearing until freezing weather in the Fall. Not a heavy cropper but very fine for home use. BE SURE TO PLANT PROGRESSIVE EARLY and fertilize heavily. 75c per 25; $2.00 per 100; $13.50 per 1000.

SUPERB. This everbearer as a rule does not bear as much in the Fall as Progressive, but the berry is much larger. Superb bears an immense crop in June and is worth planting for the Summer crop alone. This last season it bore a larger Fall crop than Progressive. My supply of plants is very short. 75c for 25; $2.50 per 100.

POT-GROWN STRAWBERRY PLANTS

We do not recommend ordinary layer plants for Summer and Fall setting but if you will set pot-grown plants in August and Sept. and care for them you can get a nice crop the following Spring. Pot-grown plants may be used for filling in fields where the Spring set plants have died out. I offer Progressive, Superb and Chesapeake at 75c per 12; $5.00 per 100; other varieties at 60c per 12; $3.50 per 100; $30.00 per 1000.

ASPARAGUS

GIANT ARGENTEUIL. More resistant to rust than other common varieties. 2 yr. roots. 50c per 25; $1.00 per 100; $8.00 per 1000.

RHUBARB

Divided roots. 15c each; $1.00 per 10; $8.00 per 100.

APPLE TREES. Standard.

2 yr. 5 to 6 ft. trees. 85c each; $8.00 per 10; $75.00 per 100.

NOTE: The shortage of Apple and other fruit trees is so acute that it will be necessary to make your reservations immediately upon receipt of this catalog. You may do this on easy terms as stated in another part of this catalog. I do not expect to have any trees unsold by February 1st, and am already sold out of McIntosh in standard stock before this goes to press. Can offer a limited number of the following varieties.

Yellow Transparent, Red Astrachan, Sweet Bough, Duchess, Hyslop, Transcendent, Gravenstein, Wealthy, Fameuse, Pound Sweet, Wolf River, Rhode Island Greening, Northwestern Greening, Winter Banana, Baldwin, Talman Sweet, Delicious, Northern Spy, Roxbury Russet, Twenty Ounce.

APPLE TREES. Dwarf.

2 yr. First Class Trees. $1.00 each; $9.00 per 10.

Dwarf fruit trees come into bearing at an earlier age than standards and while they are not a commercial proposition are fine for home planting. I offer a small number of the following varieties. Yellow Transparent, Duchess, McIntosh and Delicious.

PEAR TREES. Standard.

	Each	10	100
2 yr. 5 to 6 ft. trees	.85	$8.00	$70.00

Varieties. Beurre Bosc, Bartlett, Seckel, Clapp's Favorite, Sheldon, Vermont Beauty, Duchess, Lawrence.

I have a few Bosc about 3 to 4 ft. at 25c each.

PEAR TREES. Dwarf.

Dwarf pear trees are planted extensively because they come into bearing soon after being set. I offer 2 yr. No. 1 Bartlett, Seckel, Duchess and Clapp's Favorite at the same price as standard trees.

PLUM TREES

	Each	10	100
2 yr. 5 to 6 ft.	$1.00	$9.00	$80.00

The shortage of Plum Trees is acute. I sold out of Burbank in the Fall, but can still supply a limited number of the following varieties, Red June, Abundance, Bradshaw, York State Prune (same as Fellemberg or Italian) Lombard, Shropshire Damson, Green Gage.

CHERRY TREES. Sour Varieties.

	Each	10	100
2 yr. 5 to 6 ft.	$1.00	$9.00	$80.00

Varieties. Montmorency, Early Richmond, English Morello, May Duke.

SWEET CHERRY

Price same as sour varieties.

Black Tartarian, Gov. Wood, Bing, Lambert, Napoleon or Royal Ann.

QUINCE TREES

	Each	10
2 yr. No. 1. Orange and Champion	.75	$7.00

PEACH TREES

	Each	10	100
1 yr. No. 1 Trees	.65	$6.00	$55.00

Varieties: Greensboro, Carman, Champion, Belle of Georgia, Early Crawford, Elberta, Crosby, J. H. Hale.

ORDER YOUR TREES AT ONCE. BY SO DOING YOU GET A 10% DISCOUNT AND STAND A CHANCE OF GETTING THE VARIETIES YOU WANT.

LANDSCAPE DEPARTMENT

We have a good stock of Trees, Shrubs and Plants for Landscape work this year and expect to feature this department of our nursery in the future. We are listing only those varieties which we have in stock or which we can ship on short notice while they last. While there is a better supply of this kind of stock than of Fruit Trees or Berry Plants, still, it will be well to get your order in early. Roses especially are in short supply. Should you wish stock not listed here we will endeavor to get it for you at reasonable prices.

ROSES

2 yr. No. 1.	Each	10
Crimson Rambler	.60	$5.50
Dorothy Perkins	.60	5.50
Dr. Van Vleet (blush pink, new)	.75	7.00
Silver Moon (large single white, stamens yellow)	.60	5.50
Excelsa (Red Dorothy Perkins)	.60	5.50
White Dorothy Perkins	.60	5.50
Gen. Jacqueminot (The red Jack rose)	.70	6.50
Mme. Plantier (hardy free blooming white rose)	.70	6.50
Magna Charta (popular pink rose)	.70	6.50
Mrs. John Laing (fragrant pink)	.70	6.50
Hugh Dickson (splendid red)	.70	6.50
Persian Yellow	.70	6.50
Gruss and Teplitz (best red Hybrid Tea)	.80	7.50
Pink Killarney	.80	7.50
Frau Karl Druschki, (white)	.80	7.50
Rosa Rugosa (red or white for landscapes)	.60	5.50

HARDY SHRUBS

2 to 3 ft. except as noted.

AZALEA ARBORESCENS. Fragrant White Azalea. 15 to 18 in. $1.50 each.

BERBERIS THUNBERGII. The most popular hedge plant of the North. Supply of plants short.

	Each	10	100
18 to 24 in. plants	.30	$3.00	$20.00

BUDDLEIA OR BUTTERFLY BUSH. A handsome bush having an annual top and perennial root in the North. From July until November the long spikes of violet colored flowers are borne in great profusion and are not injured by frost. Grows 3 to 4 ft. high 50c each, $4.50 per 10.

CYDONIA JAPONICA. The old-fashioned Japan Quince which bears a profusion of scarlet flowers in May. 50c each.

DENTZIA, PRIDE OF ROCHESTER. A hardy shrub which blossoms after the Spirea is gone. Flowers white, edged with pink. 50c each; $4.50 per 10.

FORSYTHIA VIRIDISSIMA. A valuable shrub which bears its clear yellow flowers before the leaves come out in Early Spring. Leaves and bark a handsome green. 40c each; $3.50 per 10.

HYDRANGEA. HILLS OF SNOW. The most valuable of all the new introductions. The bush grows 3 to 4 ft. high and is covered with immense flower clusters in July. Everyone should have one or more of these Hydrangeas. 50c each.

HYDRANGEA. P. G. The old-fashioned Hydrangea. 40c each, $3.50 per 10.

PHILADELPHUS GRANDIFLORA. A large flowered Syringa. Pure white with golden center, 50c each.

PHILADELPHUS CORONARIUS. Old-fashioned sweet-scented Syringa. 40c each.

PHILADELPHUS, FELLIS AUREA. Like old-fashioned Syringa but has golden foliage. 50c each.

SPIREA. BRIDAL WREATH. 40c each.

SPIREA. VAN HOUTTE. The finest Spirea. Valuable for hedges or specimens. 40c each, $3.00 per 10.

SNOWBALL COMMON. 40c each.

SNOWBALL JAPANESE 50c each.

PURPLE LILAC. 40c each.

WHITE LILAC. 40c each.

WEIGELA. Candida, white; Rosea, pink; Eva Rathke, red; 50c each.

SHADE TREES

		Each	10
Birch, Cut Leaf Weeping,	6- 8 ft.	$1.50	$14.00
Catalpa, Bungei. 2 yr. heads,		2.00	
Catalpa, Speciosa,	8-10 ft.	1.50	12.50
Crab, Bechtels Flowering,	4 ft.	1.50	
Elm, American,	8-10 ft.	1.50	12.50
Maple, Sugar,	8-10 ft.	1.00	9.00
Poplar, Carolina,	8-10 ft.	.50	4.50
Poplar, Lombardy,	8-10 ft.	.60	5.00
Willow, Weeping,	8-10 ft.	1.00	
Willow, Laurel Leaved,	8-10 ft.	1.00	
Sumach, Common,	4- 5 ft.	.50	4.00
Butternut,	18-24 in.	.25	2.00

CLIMBING VINES

Wisteria, Purple, 2 yr. No. 1	.50
Wisteria, White, 2 yr. No. 1	.50
Dutchmans Pipe, 3 yr. No. 1	1.00
Halls Japan Honeysuckle, 2 yr. No. 1	.30
Clematis Paniculata, 2 yr. No. 1	.50
Trumpet Vine, 3 yr. No. 1	.50
Bittersweet, 3 yr. No. 1	.50
Boston Ivy, 3 yr. No. 1	.60

EVERGREEN TREES AND SHRUBS

		Each	10
All evergreens shipped with ball of earth.			
Silver Fir,	2-3 ft.	$3.00	$28.00
Common Juniper,	spread 2-3 ft.	2.00	18.00
Golden Prostrate Juniper,	spread 12-15 in.	1.50	14.00
Globe Juniper,	15-18 in.	4.00	
Red Cedar,	2-3 ft.	1.25	11.00
Blue Cedar,	2-3 ft.	3.50	
White Spruce,	2-3 ft.	1.00	10.00
Norway Spruce,	1½-2 ft.	.50	4.50
Norway Spruce,	2-3 ft.	1.00	9.00
Colorado Blue Spruce,	2-3 ft.	3.00	25.00
Kosten Blue Spruce,	2-2½ ft.	5.00	45.00
Austrian Pine,	2-3 ft.	2.00	18.00
White Pine,	2-3 ft.	1.25	10.00
American Arbor Vitae,	3-4 ft.	1.50	12.00
Pyramidal Arbor Vitae,	3-4 ft.	1.50	12.00
Golden Arbor Vitae,	2-3 ft.	1.75	15.00
Globe Arbor Vitae,	spread 15-18 in.	1.50	12.50
Mountain Laurel,	12-15 in.	.75	6.50
Rhododendron Maximum,	2-2½ ft.	2.50	22.50

HARDY PERENNIALS

	Each	10
Aquelegia, mixed hybrids,	$ .20	$2.00
Hardy Asters,	.20	2.00
Canterbury Bells, blue and white,	.20	2.00
Delphinum, mixed,	.20	2.00
Garden Pinks,	.20	2.00
Dielytra (Bleeding Heart),	.40	4.00
Foxglove, assorted,	.20	2.00
Funkia, White Day Lily,	.25	2.50
Hollyhocks, Double red, pink, yellow, white,	.20	2.00
German Iris, mixed,	.15	1.00
Lily of the Valley, clumps,	.60	6.00
Oriental Poppy,	.25	2.50
Iceland Poppy,	.20	2.00
Hardy Phlox. Assorted,	.15	1.50
Golden Glow,	.15	1.00
Spirea Japonica (Astilbe),	.25	2.50
Sweet William. Assorted,	.20	1.50
Monarda (Old-fashioned Bee Balm)	.20	1.50
Dwarf Polyanthus,	.20	1.50

PEONIES. Very Fine Roots.

Couronne D'Or. Pure white with yellow stamens. Late.	.60	6.00
Mme. DeVerneville, Early White,	.50	5.00
Festiva Maxima. Most popular Peony grown. Pure White. Midseason,	.50	5.00
Edouard Andre, Glossy crimson, maroon. Stamens golden yellow. Midseason,	.50	5.00
Jules Calot. Pink, rather late and a free bloomer,	.50	5.00
L'Indespensable. Very large full flower of shell pink,	.50	5.00
Zoe Calot. Soft pink, large and double. Midseason,	.50	5.00
Zepherus. Very fine pink,	.50	5.00
Rubra Officinalis. The old-fashioned early red Peony,	.50	5.00
Peonies by color. Red, white and pink,	.35	3.50
Mixed Peonies,	.25	2.50

HOW TO GROW BERRIES

Many of my customers write me asking for complete directions for growing berries. While I am always glad to answer specific questions it is impossible for me to give complete cultural directions. The following Bulletins may be obtained from the United States Dept. of Agriculture, Washington, D. C.

BLACKBERRY CULTURE (Farmers Bulletin 643)
RASPBERRY CULTURE (Farmers Bulletin 728)
EVERBEARING STRAWBERRIES (Farmers Bulletin 901)
PREPARATION OF STRAWBERRIES FOR MARKET (Farmers Bulletin 979)
STRAWBERRY CULTURE (Farmers Bulletin 1028)
GROWING FRUIT FOR HOME USE (Farmers Bulletin 1001)
CURRANTS AND GOOSEBERRIES (Farmers Bulletin 1024)

WHO ARE MY CUSTOMERS?

Instead of testimonials I am giving you a list of Institutions who have used my plants. Ask them about them.

New Hampshire State College	Durham, N. H.
Massachusetts Agricultural College	Amherst, Mass.
Vermont Agricultural School	Randolph, Vt.
Essex County Agricultural School	Hathorne, Mass.
New York State School of Agriculture	Canton, N. Y.
Smith Agricultural School	Northampton, Mass.
Providence County Farm Bureau	Providence, R. I.
Vermont State School	Brandon, Vt.
Maine State Industrial School	So. Portland, Maine.

NUMBER OF PLANTS REQUIRED PER ACRE

Kind of plant.	Distance to set.	No. required.
Red Raspberries,	3 x 6 ft.	2400
Black Raspberries,	4 x 7 ft.	1600
Purple Raspberries,	4 x 7 ft.	1600
Blackberries,	4 x 7 ft.	1600
Currants,	4 x 6 ft.	1800
Gooseberries,	4 x 6 ft.	1800
Strawberries,	1½ x 4 ft.	7250
Grapes,	8 x 8 ft.	675

All plants listed will be sold 50 or more of one variety at 100 rates; 500 or more of one variety at 1000 rates.

$5.00 PEONY COLLECTION

3 Mme. DeVerneville
3 Zepherus
3 Jules Calot
1 Couronne D'Or
2 Edouard Andre
2 Zoe Calot

14 fine roots for $5.00. Catalog value $7.10.

$5.00 ROSE COLLECTION

2 Crimson Rambler
2 Dorothy Perkins
2 Gen. Jacqueminot
2 Magna Charta
2 Mme. Plantier

10 fine Roses for $5.00. Catalog value $6.80.

$5.00 SHRUB COLLECTION

4 Forsythia Viridissima
4 Hydrangea P.G.
2 Spirea Van Houtte
2 Hydrangea, Hills of Snow.
1 Purple Lilac
1 Old-fashioned Syringa

14 Fine Shrubs for $5.00. Catalog value $5.80.

$5.00 STRAWBERRY COLLECTION

100 McAlpin
100 Wilson
100 Sample
100 Sen. Dunlap
100 Warfield
100 Big Joe

600 Strawberry Plants for $5.00. Catalog Value $6.00.

NO DISCOUNT GIVEN ON COLLECTIONS.
